

- a. have no portion of the Device extend higher than or beyond the roofline of the roof section to which it is attached;
- b. conform to the slope of the roof and have a top edge that is parallel to the roofline;
- c. have a frame, support bracket, or visible piping or wiring that is painted in a single color to blend with the home;
- d. if located within a fenced yard or patio, the Device must not be taller than the top of the fenceline.

The guidelines are effective upon recordation in the Public Records of Fort Bend County, and supersede any guidelines for solar energy devices which may have previously been in effect. Except as affected by Section 202.010 and/or by these guidelines, all other provisions contained in the Declaration or any other dedicatory instruments of the Association shall remain in full force and effect.

Approved and adopted by the Board on this 26th day of January, ²⁰¹²~~2011~~.
