Country Club

Nestled among the gentle rolling hills, extensive lakes and stately old pecan trees, Weston Lakes Country Club is one of the "best kept secrets" and most exclusive private clubs in the area. Weston Lakes offers a variety of entertainment options for your family to enjoy.

Golf

Our 18-hole Championship golf course is designed by legendary tour champion Hale Irwin. Members and guests enjoy playing this scenic yet challenging course (7,064 yards, par 72). In addition to the golf course, we have a full service golf shop and practice facilities including a driving range, along with chipping and putting greens.

Swimming

Members at Weston Lakes have the opportunity to cool off during the hot summer months by relaxing at one of our two swimming pools. Our family pool is supervised by lifeguards and is open during the summer season, while our adult pool is open year round for those who are 18 years of age or older.

Dining

Our newly renovated Waterside Grill offers a selection of American and Intercontinental Cuisine for you to enjoy in a relaxing atmosphere. Many members also enjoy visiting with friends on our outdoor patio or courtyard that overlooks the course.

Weston Lakes also features elegant dining events and private parties in the Ballroom, which can seat up to 200 guests for your special event.

**Free trial membership includes the initiation fee and two months of our Bronze membership level dues, a value of \$600. The membership must be activated within 6 months of closing. After two months the home buyer may choose to either take over the membership dues at \$175 monthly or cancel the membership. The Bronze membership allows an individual to utilize the golf course Tuesday – Thursday. Cart fees will apply.
